Good day,

This is a follow up to our telephone conversation.

As discussed, our Office is not in a position to provide an opinion on an organization's general privacy practices or to provide what might be called "advance rulings". You may wish to seek independent legal advice on the matter you have raised.

If you have further questions, do not hesitate to contact our Office at 1-800-282-1376 in order to speak with Patricia, an Information Officer familiar with your enquiry.

Sincerely,

Information Centre
